*- With Annemarie Manders*

Welcome to the latest edition of the Warratina Lavender Farm newsletter! We hope you had a relaxing and enjoyable Christmas and New Year. Welcome to 2015!

We have been busy harvesting the lavender and are now in the final stages. Farm staff are busy drying and stripping the lavender and this is a great opportunity to get up close by taking a tour to learn about the harvesting process. The tours run daily at 11am and 2pm and are \$5 per person for a minimum of 4 guests. The Tea Rooms are open and offer a beautiful summer menu to enjoy!

## WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.
