- With Annemarie Manders

Welcome to the latest edition of the Warratina Lavender Farm newsletter! We have been hard at work since our last newsletter! Weed spraying has been completed and all the lavender rows have been lightly rotary-hoed for soil aeration. The French Lavender is looking absolutely stunning in full bloom. The blooming rows make the perfect backdrop for photography sessions with friends.

We have a wide selection of lavender products and special gifts for that special occasion. Check out our new Lavender Koala heat pack! Both the Koala and Bear can be purchased from the Lavender Cottage Tea Room.

The Lavender Cottage Tea Rooms have delicious specials on through winter and we would love to see you soon! Watch our Facebook page for weekly specials, all the latest news and events on and around the farm!

WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.
