- With Annemarie Manders

Welcome to the Autumn edition of the Warratina Lavender Farm newsletter! We hope you are keeping warm as the seasons change and Melbourne prepared to get chilly!

Even though the harvest is now complete, we are busy with our weeding program under way, removing old lavenders and preparing the group for new plantings.

The farm is open for business with some display lavender still in bloom. The Lavender Cottage Tea Rooms are a great place to stay out of the weather and enjoy All Day Breakfasts, hearty soups, quiches, pastas and more all prepared by our new chef.

We are also delighted to announce we received the 2015 Dawn Baudinette Tourism Award for Excellence in Tourism! The award was present by the Australian Lavender Growers' Association for our research and development of lavender awareness throughout the world.

WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.

Visit our website for the latest information and upcoming events on and off the farm!
