- With Annemarie Manders

Welcome to the latest edition of the Warratina Lavender Farm newsletter! Lavenders have been pruned and growth is slowing down in preparation for their winter dormancy. We have been busy with the general garden maintenance and cut backs including mulching and clearing autumn leaves. Rain has come at last and the gardens are starting to recover after the heat of summer.

Don't forget to book in for one of our amazing scene making workshops! You will find this class invaluable and never make a horrible scene again! - **Love Annemarie**

WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.
