ABOUT WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.

SHORTBREAD

Did you know Shortbread resulted from a medieval biscuit bread, which was a twice-baked, enriched bread roll dusted with sugar and spices and hardened into a hard, dry, sweetened biscuit called a rusk. Eventually, yeast from the original rusk recipe was replaced by butter.

Warratina's buttery shortbread has a hint of lavender to compliment a cup of coffee or tea. Attractively packed in a windowed 200gm gift bag, Lavender Shortbread is a great Christmas time treat!
