Welcome to the latest edition of the Warratina Lavender Farm Newsletter. What a relief that winter is over and all the weeding, fertilising and replanting of new lavenders is now complete. The warm weather is bringing on the new spring growth of all the lavenders ready for their summer flowering season. Spring has sprung in the gardens with daffodils and magnolias in full bloom around the homestead gardens.

Spring and summer are the perfect seasons to plan a visit to Warratina Lavender Farm. Come and enjoy garden walks in the clean Yarra Valley air and take a tour around the beautiful Wandin district. Stop in at the Lavender Cottage Tea Rooms for a light lunch or even indulge in one of our delicious all day breakfast options on the seasonal menu. The farm is open 6 days a week (closed Tuesdays) and tour group bookings are available.

ABOUT WARRATINA LAVENDER FARM

Warratina Lavender Farm had its beginnings in 1991 when Annemarie Manders decided on growing lavender for a hobby on a little plot on land which had once been an old cherry orchard. Today the farm has over 10,000 lavender plants and caters to tourists from around the world with warm hospitality and beautiful products.

Warratina Lavender Farm is situated in tranquil surroundings in the Yarra Valley foothills of the beautiful Dandenong Ranges. Walks can be enjoyed through the fields of lavender and display gardens. See how the plants are commercially grown and explore the beautiful range of products available in the gift shop and enjoy a meal at the Tea Rooms.
