# Catering

If you choose to have your wedding ceremony in the Homestead Gardens, guests can be catered for within a private marquee for the serving of drinks & finger food during the wedding party's photographic session following the ceremony (to be discussed with catering Company).

Wedding receptions at Warratina Lavender Farm will be catered for within a separate private marquee tailored to your wishes and guest numbers.

For your post wedding ceremony refreshments and wedding reception on the Farm, you would be required to outsource hiring & catering companies.

**The catering company will be required to remove ALL rubbish, & catering equipment at the end of the event.**

**The Event must close no later than 2300 hours.**

# Wedding Reception

*Why travel any further after your wedding ceremony!!*

We can provide the venue for your wedding reception on the Farm. If you choose to be married in another location, no problem, we can still provide the venue for your wedding reception at Warratina Lavender Farm.

**You are required to organize your own catering company & hire company for the marquee, tables, chairs etc.**

## Security & Time Constraints

If you choose to have your reception at Warratina Lavender Farm we will make sure that all security controls are met within our capabilities. There will be an additional cost for the security officer hired for your safety.

The time of conclusion of the Event will be pre arranged & **MUST** be adhered to by the Wedding Party.

**No event must extend beyond 2300 hours**
